3. Safety Evening with Sergeant Vossmer

- MIT police phone number is : **617-253-1212** or **100** from MIT phone
- Do not hesitate to call the police whenever you see something that might look suspicious.
- Do not use electronic devices on the T line, it plays as an invite for thieves.
- It is not recommended to use a pepper spray, most likely the attacker will use it against you.
- Try not to use an outside ATM, prefer the ATM in a closed building as in the student center, for example.
- Be aware of using cell, smartphones, txt while walking on the street, especially during dark, it decreases eye contact and make you an easy target for being attacked.
- Be aware of purchase on "craigslist", especially "too good to be true" offers, there are many incidents of scam and stolen property that is sold.

4. Open Floor for Resident Concerns

- Regarding the construction schedule, Jason replied that it is planned to be ended by spring
- Regarding laundry theft, proposal was raised to use a LA key, most presence showed a positive interest.
