Partners' Community Coordinators	I want to buy a set of soccer goals for the playground. These are small metal goals 6' by 3' and 4' high. We might need to replace the nets once every other year (cost \$40).	2	110	Vote/Decision	\$110 Approved (with the condition that we can put a voucher with a craigslist buy)
Couples' Resource Coordinators	WEC T-Shirts. In the past, WEC members all got free T-shirts to wear at events so people could ID us. I'm requesting we purchase 30 T-shirts for WEC using the winning design from the recent contest from customink.com at \$10/shirt.	2	\$300	Vote/Decision	Jeff will update the wiki with the procedure. Send the model and size to Jeff.

Couples' Resource Coordinators	Westgate T-Shirt Sell. We want to sell T-shirts featuring the winning design to the community. From customink.com, it will cost \$10/T-shirt, assuming a 25 order minimum. We want to sell at cost, so the cost to WEC is nothing. But if there aren't enough orders (25 minimum), we request WEC makes up the difference (maximum of \$90). We also request permission to start taking orders.	2	Probably \$0, maximum \$90	Vote/Decision	\$180 Approved for max. loss Resident cost: \$7 We will pay: \$3
