

Follow-up Items

- Need a volunteer to facilitate WEC meeting on August 18?

Patty or Yue

Budget Running Total: \$

Agenda Items

Recycling and Floor Rep Coordinators	Welcome Basket	Right now, we have 82 new incoming residents to Westgate with a possibility of a few more. Totaling about \$12 per welcome 'basket', and we plan to prepare 90 for a buffer. Final number subject to change.	1	1100	Vote/Decision	\$1,100 Approved Yue will call facilities to get the recycling bin.
Social Chair	Informal Exercise Group	Vivian Byrd and I would like to create an informal exercise group that would meet in the lounge on Monday evenings. We would make reservations one month in advance for Monday nights at 8:15 to 9:45. All members of the Westgate Community would be welcome. *We are requesting free lounge reservations for Monday nights as long as WEC does not need them. This proposal is for Summer only.	1	Free lounge reservations until mid September	Vote/Decision , Discussion	Tuesdays nights approved.
Graduate Coordinators	Community Garden Event & More Seedlings	Vivian would like \$25 to host a "Harvesting Party" to show residents how to properly pick, clean, and use the food from the Community Garden. Vivian would also like \$20 for additional seeds/seedlings as there is more space in the garden and there have been requests from residents for specific plants not currently planted.	2	45	Vote/Decision	\$45 Approved
Recycling and Floor Rep Coordinators	Buddy Program	We've got a lot more residents coming in this fall, but last year few people registered to be mentors. Any ideas concerning how to attract more mentors from the community? Other thoughts: Combine buddy program with welcome baskets if possible. We will deliver the rest. Might need volunteers from WEC. :)	2		Brainstorm, Discussion	Try to combine buddy program and the welcome baskets. Send email to Westgate official and start advertising early.
Graduate Coordinators	Free Boston Events	I would like to plan a few free events highlighting Boston for residents throughout the (picnic in Boston Gardens, walk the Freedom Trail, beach trip to Revere Beach, etc.). No cost to WEC and residents would be responsible for their own food & transportation. We would do 1-2 events. Anyone else on WEC interested in hosting one (you decide and plan when & what)?	4		Brainstorm, Discussion	Maca: Water Park Frog Pond Museums
