Agenda Items

WEC Chair	Title of Item	Description of item	Priority	\$\$	Item Type
President	Resident Feedback	After reviewing resident feedback, we said we would revisit two main ideas: becoming better advocates for Westgate and rethinking standard small activities. Discussion time. See below for advocacy items.	2		Brainstorm, Discussion
Couples' Resource Coordinators	Coffee Hour Survey and Changes	In conjunction with Nigel and Jenny's thoughts, we should probably address any changes to coffee hour that we'd like to implement. We'd like all of your feedback and input. Coffee hour - 1. Starting January the format will be changed. 2. Residents will be encouraged to participate in hosting, giving lectures in several topics such as research, open to host decision. 3. Dinner will not be served but light refreshments. 4. Coffee hour will be every other week with a budget capped at \$120 per week 5. WEC members are encouraged to connect the night to an event (games, guest speaker, get-to-know you)	2		Brainstorm, Discussion
Couples' Resource Coordinators	Coffee hour Supplies	I'd like to buy some nicer serving trays and bowls for coffee hours (and can be used by other events as well). This could include a large bin for coffee hour supplies, so that we don't have to sort through all of the stuff in the UE closet each week. This of course could depend on what we decide about how coffee hour functions in the future.	3	50	Vote/Decision
