President	Proxy for GSC meeting in Nov	Hi WEC, as you may know, Tiky's due date will be in Nov 6. We are not sure whether we can attend the Nov GSC meeting. So we wonder whether anyone of you might have time to join in GSM meeting(first Wed) and HCA meeting(Second Wed) for Westgate. Many thanks!	1		Ami will check if he can help	
President	Allow residents to audit (some of) the WEC meetings	<p>WEC always have meetings with closed doors. We suggest to open some of our meetings to all residents, who are interested in the decision making process, enthusiastic to get involved and caring about our community. The benefits from doing this include (but not limited to): 1) establish a good image of WEC about our openness, fairness and transparency; 2) enhance the interaction between WEC and the residents; 3) identify some core members in the community, who may be potential candidates for the further committee positions.</p> <p>In order not to increase the food budget for the WEC meetings, we suggest to open the meeting that is on the same day as the townhall. Depending on the number of auditors, they can sit around the table as other WEC members, or sit on the chairs off the table. They may express their opinions during the discussion section, but they don't have the voting rights during the decision making section.</p>	1		Few problem were raised: fear disrespectful behavior and not representing the general beneficials. other suggestion raised like publish better about WEC decisions.

Social Chair	Snow Tubing Excursion	There's a good deal on Snow Tubing at Amesbury Sports Park, it's a very fun winter activity for the whole family. We suggest to purchase 20 tickets. According to the deal we pay for 10 only (BOGO) at \$24/ticket = \$240 expenditure, or \$12/resident. We ask the residents to pay \$8/ticket (down from \$24, we think is fair), so WEC pays \$4/ticket = \$80 total. We need to figure out how to get people over to Amesbury, 50 minutes drive north of Cambridge.	2	\$240	50 ticket were approved, \$200 were approved. subsidised bus will be further discussed when more information be provided
