

WEC Chair	Title of Item	Description of item	Rank the priority of this item	If your item requires money from the budget, please write down the amount you are requesting.	Item Type
Secretary-Treasurer	budget report	<p>We have ~\$3700 available for future decisions.</p> <p>Our budget for lounge is huge and we are not using it. Any ideas or suggestions? Can we move some of the budget to Westgate general use?</p> <p>We are using our budget in a good rate but a lot faster then last year. Main reason for that is that we are not getting as much funding.</p>	1		Discussed, lounge money will be transfered to WEC account
Social Chair	A number of events in February	<p>We have a few events coming up, some of which we've discussed, but we want to go over a couple of things.</p> <p>The budget for Valentine's Date Night was cut, we're having problems making it happen financially. We would like to discuss having a different event instead, and implications of this.</p> <p>Another event we have planned for Feb is Snow-Tubing. We have tix for 50, but we can purchase more, make it a big event (~100 people), and perhaps provide lunch for all the people who come.</p> <p>Another thing we are planning is a private Westgate ice-skating time in the Z center. We've reserved a few dates in Feb and Mar for an hour of private ice-skating. The cost is 200\$/hr and we'de like to bring some snacks and drinks.</p>	1		Will wait to Naomi's offer to be approved, which is \$25 perpeson, in order to reduce costs for date night. Ice skating event will be for an hour, more details and vote will come later.
President	Print photos	<p>We want to print the photos from the holiday party. Target has printing service and the price is \$0.15 for size 4x6, plus shipping.</p> <p>We had 50 families and the total cost of printing should be less than \$15.</p>	1		Approved.
				Naomi mentioned a program coming to westgate with collaboration with MIT wellness on parenting, NP from MGH will come once a week to give, lecture, instruction and QA regarding parenthood.
