3/7/2013 17:12:13	President	Spring Brunch	We haven't heard back to ARCADE so far, but we want to ask for 600 from WEC for backup. GSC AC already said they will fund part of it if we don't have enough funding. I have contacted Eastgate, they are applying the GSC funding too. So if they don't get funding from GSC, they will probably fund our event.	1	600	Back up approved

3/5/2013 9:17:20	Secretary-Treasurer	Kayak update	We did not get any help from the boat house but they said they can give us a canoe to hold here.
