Secretary-Treasurer	Step class	We asked WEC for spring step class and got approval. We also asked GSC and got approval for the budget minus \$100 We ask WEC to cover this \$100 and keep the approved class for summer class. The classes are very successful and the wait list is long. This is also addressing the couples community. We will also ask GSC to cover this class as well. Cost of complete class \$600 of which 15 participants pay \$20 each => \$300 on WEC.	1	\$100 - approved / \$225, 25\$ per person for 15 people	Approved by WEC, will ask \$25 per person. Will try to get GSC funding instead of WEC payment.
