Parents Resource Coordinator	Playground toys	We still have \$500 from the daycare using the playground last summer. Would love to update some of the more popular toys and clean out the broken ones. See email list for exact costs and descriptions. I think it would be fun to present these new toys to the community at the Halloween party as a gift from WEC!	1	345.74	<b>Items approved; Suggested purchase time is spring to avoid excess weathering</b>

Information and Technology Coordinator	Ski trip	We want to do a ski trip to Wachusett. Ski pass rates for groups are \$36-\$44 for adult, and \$28-\$34 for kids, rentals are \$18-\$26, first time package \$55-\$65, and lessons are \$15. We ask WEC to subsidize \$10 per person for 30 people.	1	\$300	<b>\$400 Approved; +\$100 for hot drinks as a group</b>
Couples Resource Coordinator	Mailbox (moneybox)	We often organize events that need to be partially paid by residents (e.g. next one is nutcracker). We would like a mailbox outside our apt so we don't need to be at home to receive the money. (Last year we managed that because we had a huge space under the door. We changed apartment last month and there is no space). We need suggestion if there is one already available, if we can actually have it and how much we can spend on this)	1		<b>Ami to discuss possibility with Michael Collins</b>

Social Chair	Holiday Party	The holiday party will take place at Lobdel dining (student center) on Saturday, November 30 5pm to 8.30. This year it will be a dinner instead of a brunch, so we want to discuss the theme of the holiday party and get feedback/suggestions on the changes we are thinking about.	2		<b>Discussed</b>
Information and Technology Coordinator	Westgate logo contest	We want to run a logo contest for Westgate. We will use the logo on the website, and hopefully on flyers. We also plan to print the logo on a small thing, and give away to residents (we'll ask for funding for this later).	3		<b>Not discussed</b>
